DisplayPort is a next generation digital interface designed to replace LVDS, DVI and eventually VGA.
It promises several significant benefits to consumers.
It simplifies connectors and allows for sleeker displays and notebooks by removing the need for LVDS electronics.

- High-quality gold-plated and nickel-plated plugs gives excellent connectivity
- Copper based cables with different lengths as requested
- Supports high-bandwidth, uncompressed digital video, multiple channel digital audio and control functions
- Used for all HD equipment with HDMI connections
- Can be used with a HDMI - DVI converter for equipment utilizing a DVI connection
- Double screened for superb performance
- Can Support 1,080p resolution

Pro-Best is a networking specialists, we have been engaged in this kind of business since 1999.
We have developed an excellent reputation in the market for the thousands of products we offer.
We offer high quality with competitive price networking accessories, such as:Connectors:HDMI,1394,
USB, DVI&D, Modular Plug, Boot, Keystone Jack!
Cables:HDMI, 1394, USB, DVI&D, LAN cables, Cat 5e UTP/STP Patch Cord, Fiber Optic Patch Cord,
IDE cables!Ketc.Card Readers, Face Plate, Cat. 5e In-line Couplers, Mouse pad, Fans,
Network Installation Tools, ! Customer special requirements are also welcome.
Please go on our website, we believe they will surely fulfill your needs and
enrich your products' line. Full catalog will be sent upon request.
If you have any questions, please feel free to let us know.
